The Cobbonian 1956
Morristown High School

Dedication

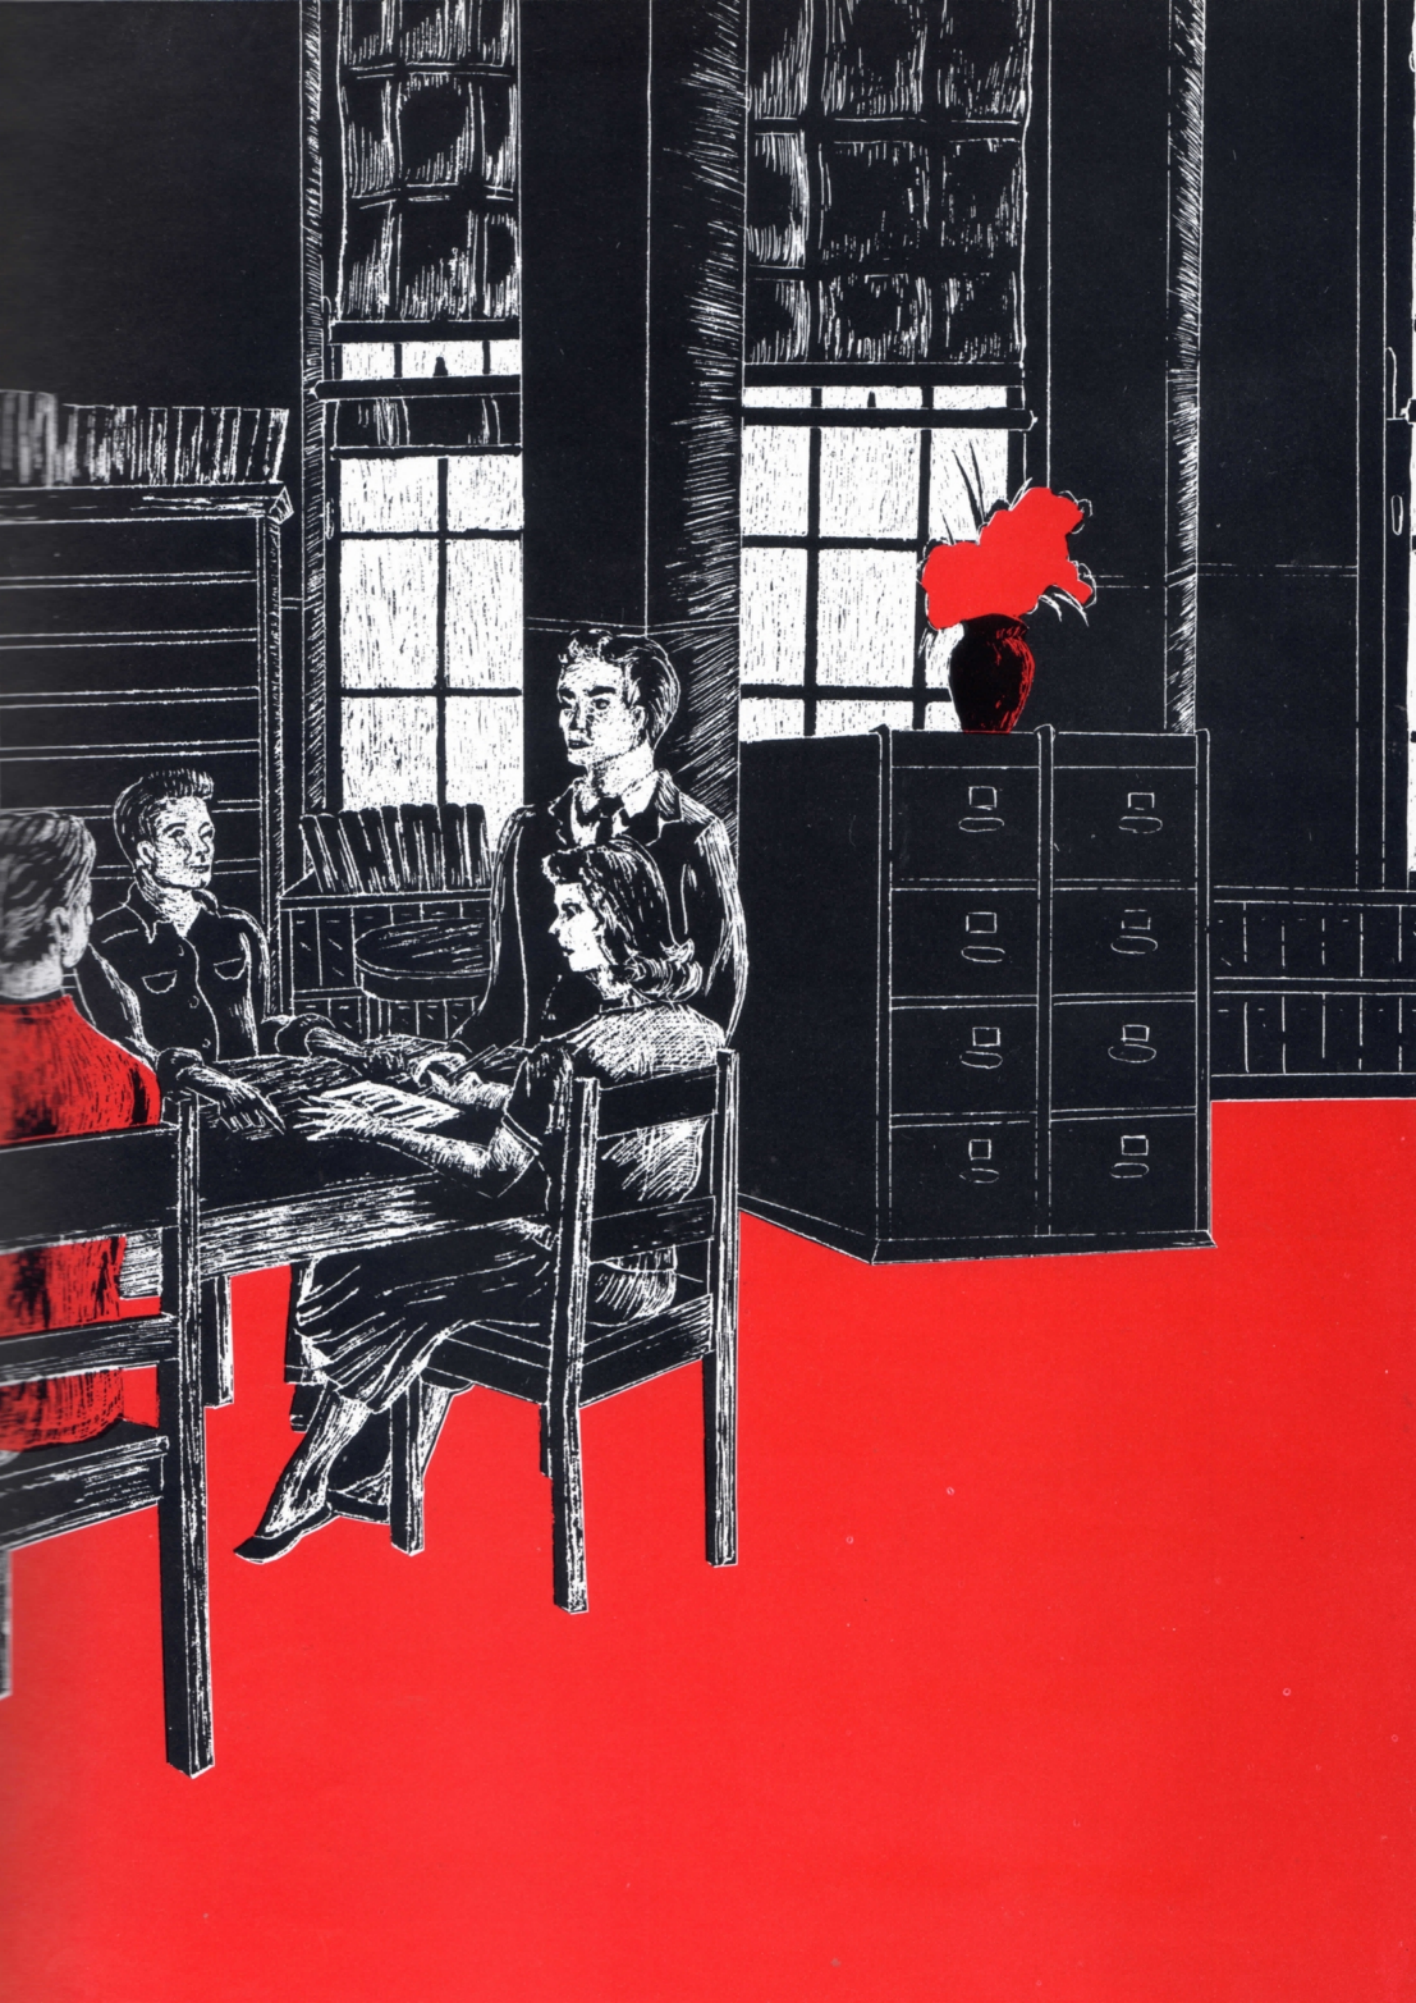

EDWARD E. EISENHART

As a very small way to show our deep admiration for him, the class of '56 dedicates this, our yearbook, to Mr. Edward E. Eisenhart. His friendly manner, his tireless efforts, and his outstanding sportsmanship are all the good things which MHS represents. As our class adviser, Mr. Eisenhart has never failed to see that our ideas were carried out to the utmost. And so we are proud and honored to award him this dedication as a symbol of our sincere appreciation.

Mrs. Martha Hopler

Mrs. Martha Hopler, our Guidance Counselor, is retiring after many years of loyal service. She began her career as a teacher of civics, later changing to the English Department, then combining English with Guidance, and finishing with eight years in the Guidance Office. Her quick sympathy and profound understanding of our problems are qualities which several generations of MHS students will remember with deep appreciation.

Mr. Victor H. Boell

An alumnus of this school, Mr. Victor H. Boell returned here to teach in 1920. As head of the Social Studies Department, history has always been his subject, but his outstanding success as a high school and college athlete gave him a lasting interest in sports, and he coached football during his first years at MHS. A perfect combination of scholarship and patient understanding, he has been a popular and respected teacher throughout his long career. His retirement is a loss which all his students most sincerely regret.

Class History

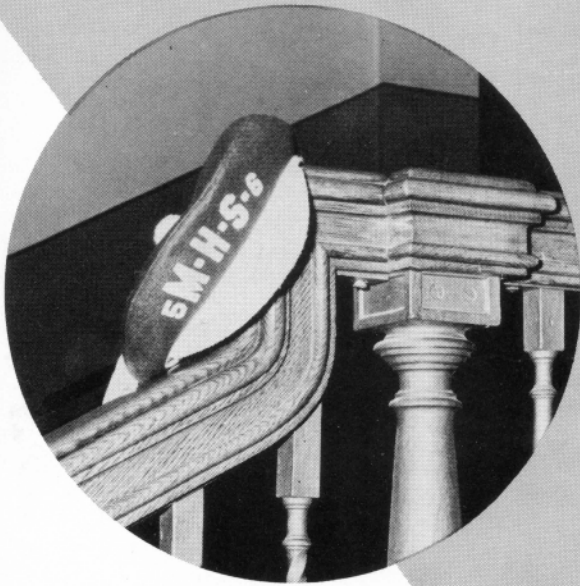

September 4, 1952, the day we entered Morristown High School, marked the first "red-letter day" in the history of our class. As freshmen we made new friends, became accustomed to new schedules, and elected our first class officers.

As freshmen and sophomores we laid the groundwork for the successes which were to come to us as juniors and seniors. The first of these was the Junior Prom. With lots of hard work and ingenuity, we brought a part of the South to Morristown, and enjoyed a feeling of success when our prom became one of the best ever given.

With September 1955 came our senior year. Through the fall and winter months, members of '56 led our football team to victory on Thanksgiving Day and our basketball team through a successful season to the state tournament.

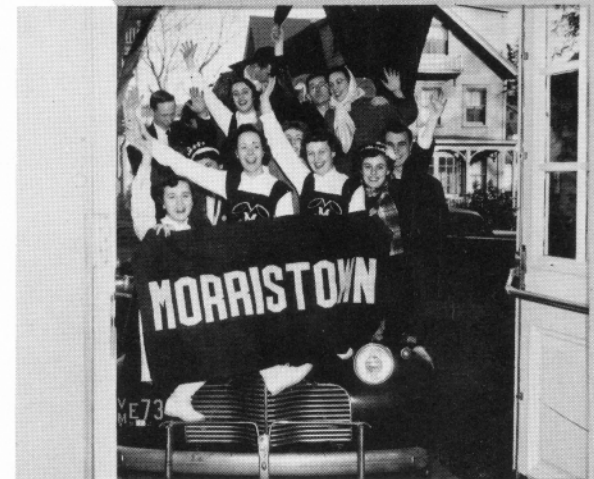

Our senior play—"Goodbye, My Fancy"—was presented in March, and was an immediate hit. Veteran '56 thespians played to full houses on both nights, and through an energetic ticket selling campaign, we were able to sell over two thousand tickets, thus insuring the success of our Senior Prom and yearbook.

Spring came and we began to plan our prom. After weeks of planning and work, prom night finally came, and a wonderful and successful evening was enjoyed by all.

Before we knew it, June and graduation were upon us and we were ready to leave MHS. We will always have these four years, and these "moments to remember." None of us will ever forget our officers, and especially our class advisers, who have helped to make our years here so pleasant and successful.
